#### SPIRIT WEEK 1984

Student Council did an excellent job planning the 1984 spirit week. The week started October 16, with Hawaiian or Tacky Tourist day. There was a luau at both lunches, and punch was served while the band played. On Wednesday, the JCHS campus was covered with punk rockers, and people dressed as their opposite sex. At lunch the JCHS Greyhound chased the Dodge Co. Indian and, when caught, the Indian was locked up for the night. Thursday was Hunter or Mourning day. Students came dressed as hunters or in funeral clothes to mourn the hanging of the Dodge Indian. At lunch the Indian was hanged and buried in the schoolyard.

Friday was the traditional purple and gold day. The afternoon was filled with excitement, as there was a pep rally followed by a city wide parade.

The 1984 Spirit Week was truly one of the best ever!!

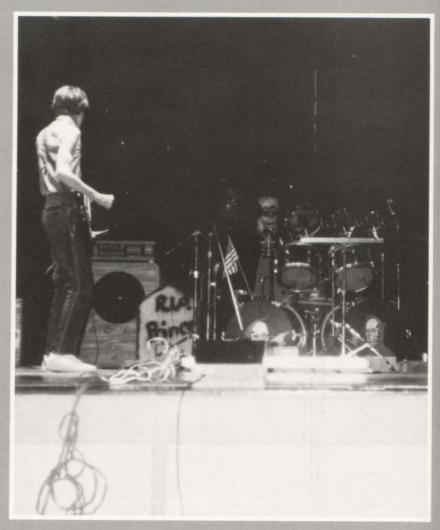

### JCHS TALENT SHOW

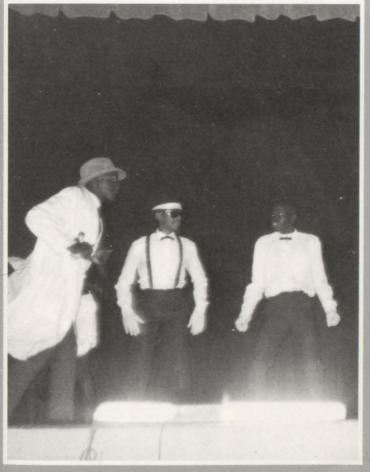

The Talent Show presented a new format this year. Contestants were divided into four categories of competition. These categories included dance, vocal, instrumental and a miscellaneous category. This year's winners were the Happy Feet Cloggers in the dance category, Tarshena Shuler in the instrumental category, Wendy Williams and Rodney Lester in the vocal category, and Sherry Webb, Shannon Webb, and DeAnn Bivins in the miscellaneous category. The overall prize was given to Wendy Williams and Rodney Lester. A standing room only crowd was presented a magnificent show.

#### WHITE CHRISTMAS

The White Christmas program in 1984 was somewhat different from past White Christmas programs. It was centered around favorite Christmas stories and featured several skits and Christmas carols. The Senior Class of 1985 did a great job!

#### THERE IS NO DEATH

There is no death! The stars go down
To rise upon some other shore,
And bright in heaven's jewelled crown
They shine forevermore.

There is no death! The forest leaves Convert to life the viewless air; The rocks disorganize to feed The hungry moss they bear.

There is no death! The dust we tread
Shall change, beneath the summer showers
To golden grain, or mellowed fruit,
Or rainbow-tinted flowers.

There is no death! The leaves may fall,
And flowers may fade and pass away —
They only wait, through wintry hours,
The warm, sweet breath of May.

There is no death! The choicest gifts
That heaven hath kindly lent to earth
Are ever first to seek again
The country of their birth.

And all things that for growth or joy Are worthy of our love or care, Whose loss has left us desolate, Are safely garnered there.

Though life become a desert waste,
We know its fairest, sweetest flowers,
Transplanted into Paradise,
Adorn immortal bowers.

The voice of birdlike melody
That we have missed and mourned so long,
Now mingles with the angel choir
In everlasting song.

There is no death! Although we grieve When beautiful, familiar forms That we have learned to love are torn From our embracing arms —

Although with bowed and breaking heart, With sable garb and silent tread, We bear their senseless dust to rest, And say that they are "dead,"

They are not dead! They have but passed Beyond the mists that blind us here Into the new and larger life Of that serener sphere.

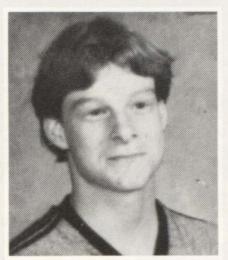

They have but dropped their robe of clay
To put their shining raiment on;
They have not wandered far away —
They are not "lost" nor "gone."

Though disenthralled and glorified
They still are here and love us yet;
The dear ones they have left behind
They never can forget.

And sometimes, when our hearts grow faint Amid temptations fierce and deep, Or when the wildly raging waves Of grief or passion sweep,

We feel upon our fevered brow
Their gentle touch, their breath of balm;
Their arms enfold us, and our hearts
Grow comforted and calm.

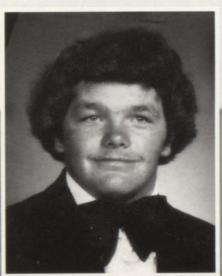

And ever near us, though unseen,
The dear, immortal spirits tread —
For all the boundless universe
Is Life — there are no dead!

The girls junior varsity basketball team started out this season with only three players from last year. These players were Patrice Knight, Amanda Maddox, and Teresa Thurman. The team members were hard working, energetic, and dedicated. They had a record of six wins and eight losses.

## A Dedication to the Memory of a Great Man

## BOYS' VARSITY BASKETBALL

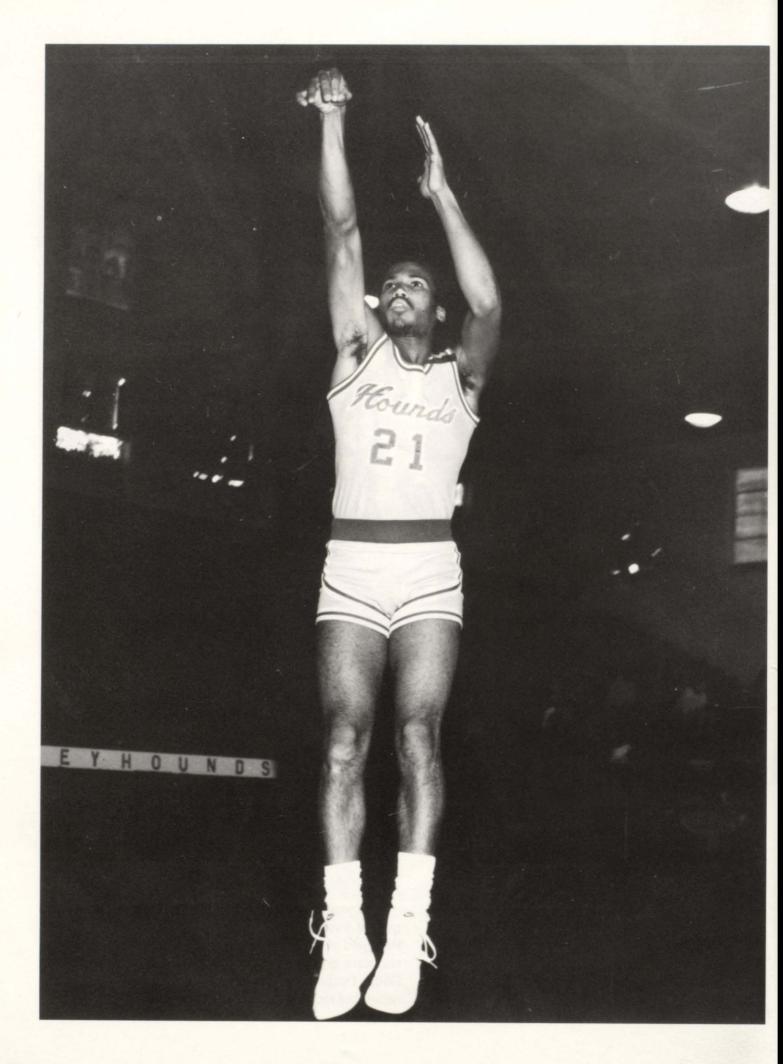

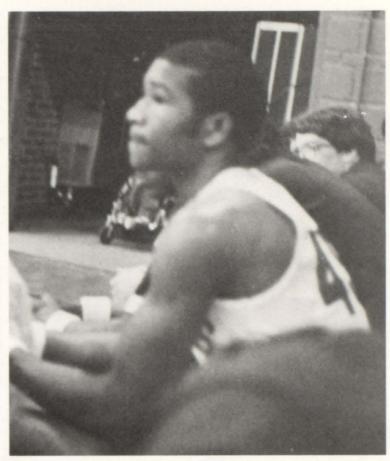

This year's team lost four great players, but we also gained five exceptional seniors. Dennis Woolfolk and Reginald Grant proved to be outstanding outside shooters and top scorers. The Hounds, led by Coach Eddie Dudley and Coach Cecil Patterson achieved a reputable record of 12-12.

This year's team consisted of five varsity players and thirteen varsity prospects. Their coach, Cecil Patterson, led them to a great season. Chris Gray proved to be an exceptionally good point guard, and he and his other team members are looking forward to next year's season.

## We Are The Champions

## BASEBALL

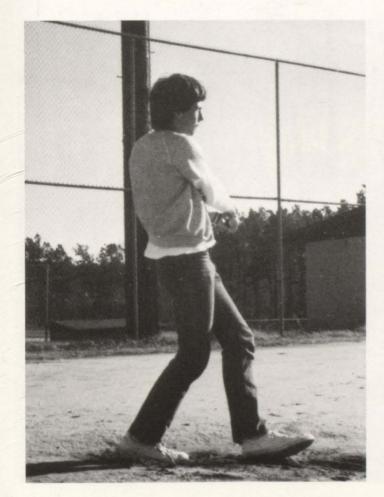

Jones County enjoyed the best season ever last year in baseball. Coach Patterson's team produced another Region 3AAA championship and another Lem Clarke Tournament championship. The team made it all the way to the State Quarter Finals with a perfect 22-0 record before bowing out to a tough Troup County squad. Coach Patterson was chosen by the Macon Telegraph & News as Middle Georgia's Baseball Coach of the Year, and Adrian Adkins was chosen as Middle Georgia's Spring Sports Player of the Year. In 1985, our team is expecting to be right back on top again. Jones County will be led by two outstanding pitchers, Jamey Huckeba and Roger Lee.

# BOYS' TRACK

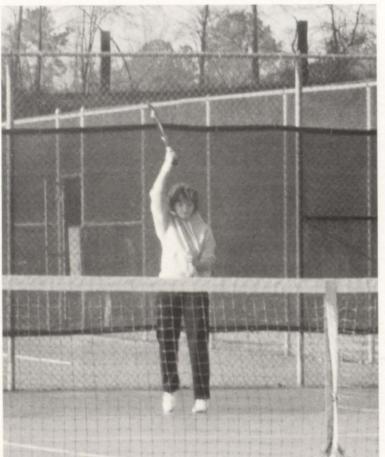

Optimistic is the word for the boys track team at JCHS this year according to new Coach Edward Mullins. The team has practiced mastering the skills of passing batons, throwing discs and jumping hurdles.

They had nine meets with other schools, and competition proved to be very stiff. Congratulations, Coach Mullins, your team has done a good job.

## TENNIS

Last year's team had the best scoring season of any of the past years. Both the boys and the girls team had a terrific season, and this year's team is heading in the same direction. The team consists of two seniors, Gayla Morgan and John Pittman, six juniors, two sophomores, and two freshmen.

#### If I Had Known

If I had known what trouble you were bearing; What griefs were in the silence of your face; I would have been more gentle, and more caring, And tried to give you gladness for a space. I would have brought more warmth into the place, If I had known.

If I had known what thoughts despairing drew you; (Why do we never try to understand?)
I would have lent a little friendship to you,
And slipped my hand within your hand,
And made your stay more pleasant in the land.
If I had known.

by Mary Carolyn Davies from The Gang

#### Friendship

Friendship is a silver ring.
Friendship is a lovely thing.
Just begins and has no end.
Doesn't even need to send
Messages on paper white.
Knows that all is well and right.
Lives on thoughts and true affection.
Now and then has this objection:
Time is short and meetings few.
So this brings my love to you.

ONE OF A KIND!

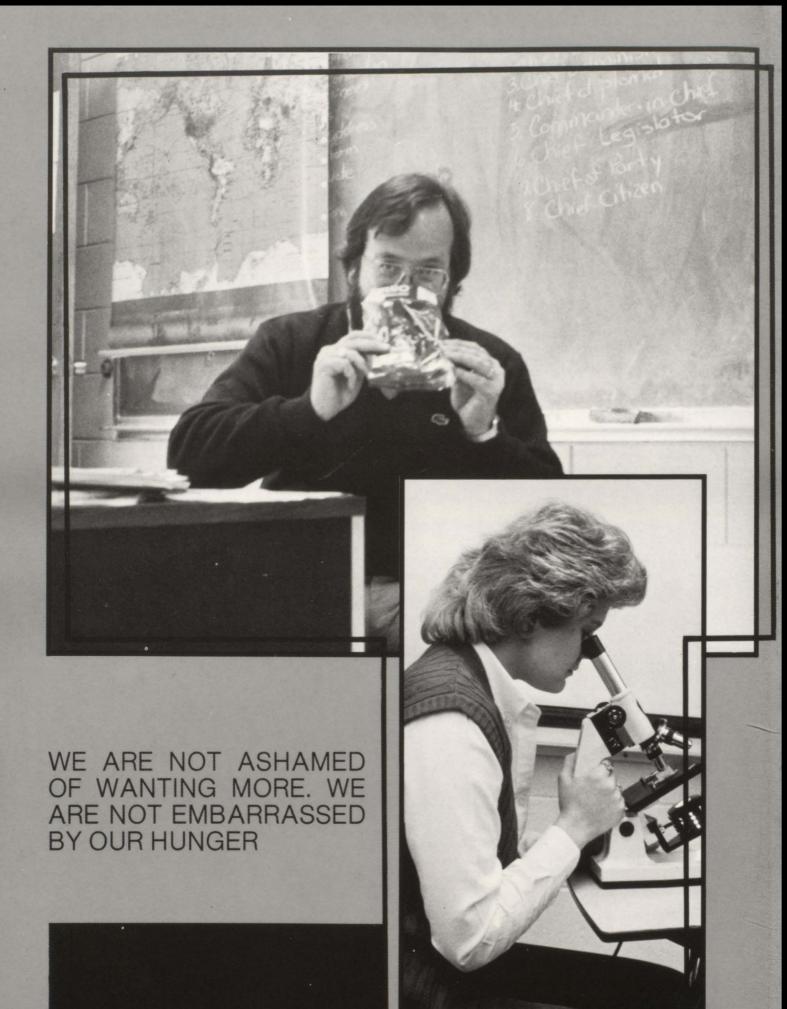

#### WE LOVE YOU!

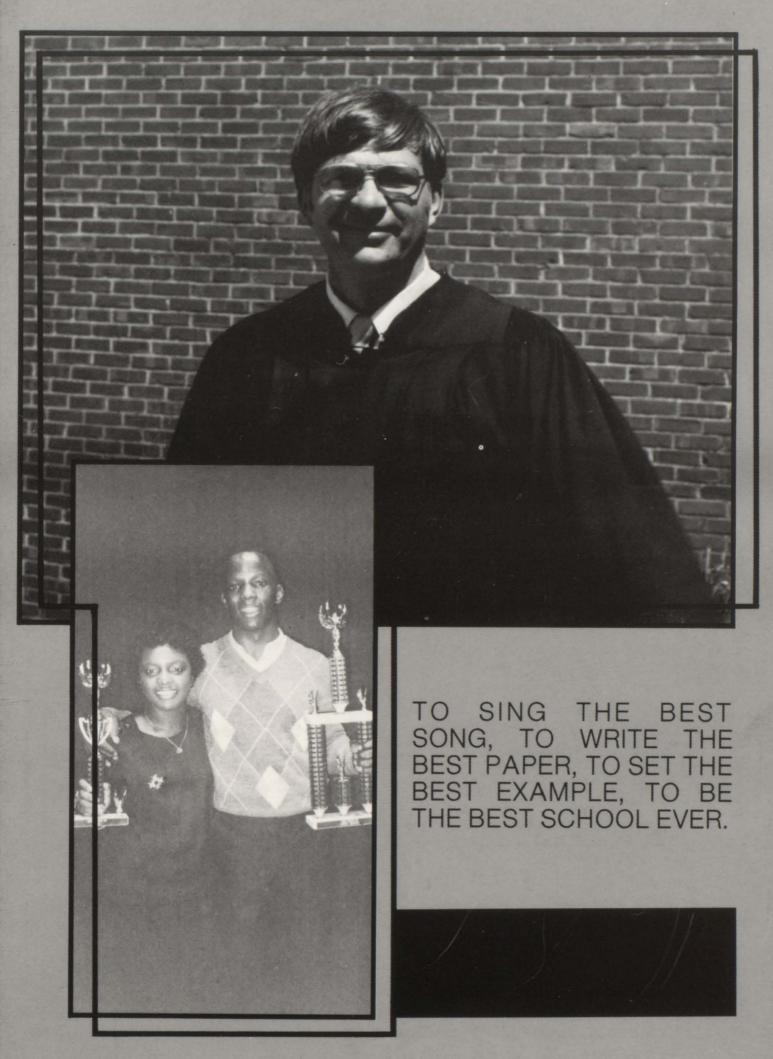

At first glance, the yearbook is just a book with pictures of Jones County students. Some people like the book and some don't. But before you judge the book, let's see the work involved in producing a 232 page yearbook and raising the \$16,000 to pay for it.

We began the 1985 Growl last year while still in school. For weeks we talked about a theme and finally decided on one—''It's a Matter of PRIDE.'' We worked during the summer getting copy ready, deciding on what pictures to take, and finding the right lay-outs to use. Sounds easy ?? Try staying up until 4:00 a.m. deciding on the right lay-out! Remember we have to agree or at least most of us.

When school started we worked everyday until Feb. 21 when I turned in this last page. The staff still had more copy to write on every section, lay-outs to draw, pictures to take. We had to draw every single page. Toward the end of each dead-line we worked mornings, after school, nights, and even over the weekends.

We put a lot more work in the yearbook than people imagine. We do our best to produce a good book for the school, but some still complain. The staff can't please everyone, but we still try to. We hope you do enjoy the book because we are proud of our accomplishment and take PRIDE in it!
